

RoofersCoffeeShop.com

I have enjoyed this site for almost two years and I learn something every day from each and every one of you posting comments on the various subjects of the day. Some of the tips and help that I have received have led me to keep encouraged, make more money (which I like), and to keep the faith!

RoofersCoffeeShop.com

RoofersCoffeeShop.com GOES PUBLIC!

It's not just for roofers anymore. The newest in SEO – Search Engine Optimization technology – drives web searches to the RoofersCoffeeShop.com. It has one of the highest destination rankings for the roofing industry, ranked by the big three (Google, Yahoo and MSN).

With this SEO-optimization comes the added benefit of homeowners finding a profile about your products, locate a roofer in their area and learn helpful

information all while gaining impressions about your company through strategically placed advertising buttons.

With your RoofersCoffeeShop.com advertising make an impression with every visitor. We will be helping contractors get on the internet, develop a Web site, generate leads, be safe and trained, but mostly informed about your products and services.

eLocalRoofers.com

To further along our goal of building a consumer following we have partnered with eLocalRoofers.com, the *Nation's #1 Directory of Roofers*. This relationship helps roofers expand their online presence and gives us unprecedented exposure for consumers looking for roofing and roofers.

Through this affiliation we can now offer you the opportunity to advertise your business on eLocalRoofers.com. Please call us for details on their buttons and banners. With their exposure to consumers it is a great way to reach the end users of your products or services.
